

Indoor Golf League

Registration Process

Step 1: Create a Team

- Visit the league registration page using the registration link provided by Golfer's Edge.
- Select your preferred team format: 2-Player Team or 4-Player Team.
- The person creating the team will automatically become the Team Captain.

Step 2: Enter Team Details

- Enter the Team Name.
- Enter the Captain's details.
- Select the number of players.
- Enter the email addresses of all teammates.

Step 3: Complete Payment

- The Team Captain completes the registration payment on behalf of the entire team.
- Once payment is successful, the team is created and registration is confirmed.

Step 4: Team Invitation

- Invitation emails are automatically sent to all teammates using the email addresses provided during registration.

Step 5: Accept Invitation

- Each teammate must open the invitation email and click 'Accept Invitation' to join the team.
- A player is considered part of the team only after accepting the invitation.

Step 6: Registration Complete

- Once all teammates have accepted their invitations, the team is fully registered and eligible to participate in the league.

Important Notes

- Only one person is required to create and register the team.
- The Team Captain is responsible for entering accurate team information.
- Registration is considered complete only after successful payment.
- Team members must accept their invitation emails to join the team roster.
- Players should check their spam or junk folders if an invitation email is not received.
